

HOW YOU CAN HELP

The **Cancer Support Scotland** Weekly Lottery Draw has been created to raise much needed funds to help pay for the support of Scottish people coping with cancer. You can help **Cancer Support Scotland** to help people facing cancer by becoming a Lottery Member and paying just £1.00 every week.

Each weekly entry entitles you to one Unique Draw Number. This number is yours to keep for the duration of your membership. You may of course have as many numbers as you wish.

Prizes are paid automatically by cheque - there is no need to claim. Winning numbers will be posted weekly on the **Cancer Support Scotland** website at www.cancersupportscotland.org

THE SERVICES WE PROVIDE

TALKING THERAPY

Our trained talking therapists offer their clients the opportunity to find out more about themselves and how to deal with their problems. Through listening and responding in a catering, accepting and honest way, our talking therapists create the conditions for their clients to explore ways of living with whatever brought them to counselling.

COMPLIMENTARY THERAPIES

We offer a diverse range of therapies to anyone in need of relaxation for body and/or mind. These extend from Massage, Reiki and Reflexology to Aromatherapy, Hypnotherapy and Chiropractic.

SUPPORT GROUPS

Our support groups are spread across Scotland and are here to help anyone affected by cancer. Currently our 9 active groups meet on a regular basis and have created trusted relationships and safe environments to air their concerns. We support a group for young people aged 16-25 called conTAK, which aims to provide a secure setting where patients can speak their mind amongst their peers.
